

Spott Law Office joins in celebrating Rotary International's World Polio Day on October 24, 2020. Thanks to years of effort by Rotary International and the Bill and Melinda Gates Foundation the number of active polio cases throughout the world has been greatly reduced. Currently, Pakistan and Afghanistan are the last two endemic countries.

Attorneys Patrick Spott and Kay Biga are both members of the Duluth Superior Eco Rotary Club.

Biga is currently serving as the District Governor Nominee in District 5580 during 2020 – 2021 year.
