

Spott Law Office sponsored the June 11, 2013 Let's Do Lunch small business presentation entitled, "Learn What's Brewing in Duluth," presented by Brad Nelson - Minister of Culture & Propaganda, Fitger's Brewhouse/ Tycoons / Burrito Union.

Duluth is developing into a craft beer haven; Fitger's Brewhouse alone has created more than 100 styles and 2,500 barrels of handcrafted beer. And with additional microbreweries popping up in Duluth and surrounding areas, the community is beginning to be recognized by both media and tourists as a malt-yeast-and-hop destination.

Let's Do Lunch, Duluth is one of the Chamber's most popular business programs. It is designed to provide Chamber members a venue to network with one another while listening to influential speakers address issues that are timely, relevant, and engaging.
